## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works  
Phil Acosta, Right of Way Agent

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 5/20/2014

SUBJECT: Submittal of right of way documents accepting conveyance to the County of San Luis Obispo from SLO Buckley Properties, LLC, and from Dolphin Investments for the Buckley Road Widening Project, San Luis Obispo. District 3.

### **RECOMMENDATION**

It is recommended that the Board:

- A. Approve and execute the Right of Way Agreements; accept the accompanying Public Road and Slope Easement Deeds from SLO Buckley Properties, LLC (No. 14-06) and from Dolphin Investments (No. 14-03) by execution of the attached Certificates of Acceptance, and direct the Clerk to record the Deeds and return copies of the executed Agreement and recorded Deeds to the Department of Public Works for completion of the transactions; and
- B. Authorize the Public Works Director, or his designee, to execute any remaining escrow and payment related documents or instructions necessary to close the transaction associated with this real property interest.

### **DISCUSSION**

Buckley Road is an urban arterial located south of the City of San Luis Obispo, along the southerly boundary of the San Luis Obispo County Regional Airport, between Vachell Lane and Highway 227. Due to traffic collision patterns, the County was awarded a \$900,000 Federal Highway Safety Improvement Program (HSIP) grant to improve an existing curve and access along Buckley Road.

The project will widen the road between Thread Lane and Buttonwood Way to increase recovery zones and add a center turn lane through a commercially zoned area.

The attached Right of Way Agreements and Public Road and Slope Easement Deeds from SLO Buckley Properties, LLC, and from Dolphin Investments will provide the County and its contractors with two of the four real property interests required to construct the proposed widening project. Negotiations are in progress for the two remaining interests.

These acquisitions are based upon fair market value determined by staff appraisals. The approval and execution of the Right of Way Agreements and the acceptance of the related Public Road and Slope Easement Deeds, by execution of the attached Certificates of Acceptance, will allow the Department to proceed with processing and payment pursuant to the Agreements.

Project construction is expected in the 2015/16 fiscal year.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

County Counsel has reviewed and approved the attached documents as to legal form and effect. San Luis Obispo County Environmental Coordinator has provided necessary clearance for this project by Categorical Exemption/Finding of No Significant Impact Filed in Official County Records September 4, 2013.

Caltrans is providing FHWA oversight due to Federal funding.

### **FINANCIAL CONSIDERATIONS**

The Right of Way Agreement provides for the following compensation:

SLO Buckley Properties, LLC	\$1,000
Dolphin Investments	\$7,500
<b>Total</b>	<b>\$8,500</b>

This project is a multi-year project budgeted in Road Fund for FY 2013-14 WBS 300490 in the amount of \$855,350. The project will receive funds from Federal Highway Safety Improvement Program (HSIP) and the Road Fund.

### **RESULTS**

Approval of the recommended actions will result in the appropriation of property rights required for this budgeted project. Completion of the project will provide for a safer and healthier community.
